REMARKS WITH FILING OF REQUEST FOR CONTINUED EXAMINATION (RCE)

Dear Sir:

The instant patent application received a Notice of Allowance dated February 6, 2008. However, no Information Disclosure Statement (IDS) had been provided by the Applicant to the Examiner. In an over-abundance of caution Applicants would like to submit an IDS to ensure that the Examiner has considered the documents cited in the PCT Search Report for PCT/US03/038635, which corresponds to the instant Application. The PCT Search Report for PCT/US03/038635 was part of the packet of materials transmitted to the Office when the instant application was filed. The other documents cited in the IDS have been identified in the Examiner's STN search that was performed on August 13, 2007. Applicants note that all documents cited in the IDS were already in the file history for the instant application prior to the issuance of the Notice of Allowance.
